#### Energy policy

391. SHRI YOGENDRA SHARMA:

SHRI LAKSHMANA MAHA-PATRO:

SHRI BHOLA PRASAD:

Will the Minister of ENERGY AND IRRIGATION AND COAL be pleased to state:

(a) whether there is any proposal under Government's consideration for evolving a new energy policy and permitting private sector to generate power; and

(b) if so, what are the details in this regard?

THE MINISTER OF ENERGY AND IRRIGATION AND COAL (SHRI A. B. A. GHANI KHAN CHAUDHURY): (a) and (b) There is no general proposal under Government's consideration for evolving a new energy policy specifically for permitting private sector to generate power. The role of private sector as utility in the field of power generation is at present governed by the Industrial Policy Resolution of 1956 under which generation and distribution of electricity is included in Schedule 'A' of the Resolution, which lists industries in which all new units, save where their establishment in the private sector has already been approved, will be set up only by the

State. The Resolution does not preclude the expansion of the existing privately owned units or the possibility of the State securing the co-operation of private enterprise in the establishment of new units when the national interests so require.

#### Inflated power bills

392. SHRI INDRADEEP SINHA: Will the Minister of ENERGY AND IRRIGATION AND COAL be pleased to state:

(a) whether Government's attention has been drawn to a news item published in the *Indian Express* of 29th February, 1980 to the effect that inflated power bills are being issued to the consumers in Delhi; and

(b) if so, what are the details in this regard?

THE MINISTER OF ENERGY AND IRRIGATION AND COAL (SHRI A. B. A. GHANI KHAN CHAUDHURY): (a) Government is aware of the news item.

(b) Delhi Electric Supply Undertaking have reported that they have not issued any inflated bills to the consumers. However, there has been some dislocation in billing the consumers due to introduction of computerisation scheme. Delhi Electric Supply Undertaking have reported that all amounts billed will be adjusted against actual energy consumption, and that no consumer will be put to any hardship. DESU have further confirmed that no employee shall be retrenched as a result of computerisation.
