

such upto 31st March, 1969. With effect from 1st April, 1969, the Scheme stands transferred to the State Sector, to be financed by the States out of block loan and block grant given by the Central Government for State Plan schemes. The basic feature of the Scheme is to rehouse the slum dwellers at the existing sites or nearby and to provide minimum standards of environmental hygiene. The Scheme has the following three basic components:—

(1) Rehousing eligible families living in slum areas through provision of developed plots, skeletal houses, dormitory/hostel type of accommodation and pucca tenements.

(2) Construction of night-shelters in cities and towns with acute problem of pavement dwellers.

(3) Improvement of environmental conditions in slum areas and improvement of pucca built dwellings in slum areas.
