7.	Connection of Saurashtra Mail, Veraval-Ahmedabad Mail with 4 Dn Ahmedabad Delhi Mail.	It is presumed that the connection asked for is between 4 Dn Ahmedabad-Delhi Express and 6 Up Virangam-Bombay Central Saurashtra Mail at Ahmedabad. 4 Dn Ahmedabad-Delhi Express leaves Ahmedabad at 18.00 hrs. while the 6 Up Virangam-Bombay Central Saurashtra Mail arrives Ahmedabad at 22.13 hrs. In order to provide connection between these two trains at Ahmedabad either the departure of 4 Dn will have to be delayed by 5hrs. or 6 up be brought into Ahmedabad earlier by 5hrs. This would not be operationally feasible for want of path enroute and also due to non-availability of platform at the terminals. It is, however, not clear as to what train the reference is to as there is no Veraval-Ahmedabad Saurashtra mail.
8.	Electrification of Rajula Jn. Station.	Since the stable supply of electricity is not available in the vicinity of Rajula Jn. station it is not proposed to electrify the station in the near future.
9.	Reservation quota to important road side stations on Dhasa-Mahuva section like Liliya Mota, Savarkundla, Damngaon etc. on 12 Up Gujarat Express ex-Ahmedabad to Bombay.	Quota for reserved accommodation are normally allotted to intermediate important stations taking into consideration the accommodation available on the train demand at the train originating as well as important intermediate stations etc. where the traffic is regular and sizeable. The suggestion for allotment of reservation Quotas to stations like Liliya Mota, Savarkundla, Damngaon etc. on Dhasa-Mahuva section by 12 Up Gujarat Express was examined in detail but there is no traffic justification for earmarking quotas to these stations.
