Anti-India tirade by Bangladesh Authorities

100. DR. BHAI MAHAVIR: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government are aware of the virulent anti-India tirade being carried on by Bangladesh;

(b) whether it is a fact that the Indo-Bangladesh Treaty of 1972 is being condemned as a document of slavery; and

(c) if so, what steps are being taken to improve relations with Bangladesh?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI P. V. NARASIMHA RAO): (a) From time to time certain sections of the Bangladesh press and political circles have expressed anti-India sentiments during recent months. The attention of Bangladesh authorities was drawn to these trends both here in Delhi as well as through our High Commission in Dacca. As for the press we were informed that in view of the prevailing freedom of press in Bangladesh, the Government was not in a position to curb such adverse publicity. However, in the official statements or in the Government owned press reporting on India has been responsible and restrained. We have noticed that after the recent visit of President Ziaur Rahman anti-India propaganda in the non-official press has also receded.

(b) There has been no official comment from Bangladesh on this Treaty in the recent past. We on our part have also not made a mention of this Treaty in bilateral meetings or in other official exchanges.

(c) The Government of India remains committed to a policy of friendship
