There is no proposal to withdraw these stoppages for the present.

Anti-India tirade by Bangladesh Authorities

100. DR. BHAI MAHAVIR: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government are aware of the virulent anti-India tirade being carried on by Bangladesh;

(b) whether it is a fact that the Indo-Bangladesh Treaty of 1972 is being condemned as a document of slavery; and

(c) if so, what steps are being taken to improve relations with Bangladesh?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI P. V. NARASIMHA RAO):

(a) From time to time certain sections of the Bangladesh press and political circles have expressed anti-India sentiments during recent months. The attention of Bangladesh authorities was drawn to these trends both here in Delhi as well as through our High Commission in Dacca. As for the press we were informed that in view of the prevailing freedom of press in Bangladesh the Government was not in a position to curb such adverse publicity. However, in the official statements or in the Government owned press reporting on India has been responsible and restrained. We have noticed that after the recent visit of President Ziaur Rahman anti-India propaganda in the non-official press has also receded.

(b) There has been no official comment from Bangladesh on this Treaty in the recent past. We on our part have also not made a mention of this Treaty in bilateral meetings or in other official exchanges.

(c) The Government of India remains committed to a policy of friendship

with all its neighbours, including Bangladesh. We would like to increase contacts at all levels with Bangladesh; this would not only help us to resolve our bilateral problems but also to lay the foundations for enduring friendship and understanding. President Zia's visit to India from 21st to 22nd January provided a valuable opportunity for a useful exchange of views.

President Zia-ul-Haq's Statement on Developments in Afghanistan

102. DR. BHAI MAHAVIR: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government's attention has been drawn to the statement of Gen. Zia-ul-Haq, President of Pakistan, to the effect that the Soviet Union borders have been extended to the Khyber Pass and Chaman and also to the report appearing in a section of press that there is a possibility of Soviet troops entering Pakistan in pursuit of Afghan rebels;

(b) If so, what was Government's reaction in this regard; and

(c) -what action is being taken to safeguard the country's security?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI P. V. NARASIMHA RAO): (a) Yes, Sir.

(b) and (c) Government have expressed concern at the developments in our region and emphasised that any situation arising out of the use of force in international relations and intervention or interference in the internal affairs of sovereign States is inadmissible. Government believe that in order to stop further escalation of tension, all States should refrain from any action which could intensify great power rivalry and bring back the cold war, especially through dangerous arms build-up liable to threaten peace and stability in sensitive regions.

The Government have been in touch with the countries in the sub-continent, the Soviet Union, U.S.A., China and other countries in this regard.
