Statement

The allegation by Shri M. C. Chagla to the effect that a statement by him to be included in a T. V. programme was censored by Doordarshan Kendra, Bombay was published in some newspapers on January 14, 1980. The facts of the case are as follows: —

The programme telecast by the Bombay Kendra on January 13, 1980 was a 20-minute programme giving reactions of some eminent personalities available in Bombay on the results of the Lok Sabha elections as well as their views on the priorities before the new Government. For collecting material for this programme, brief statements by S/Shri Morarji Desai, M. C. Chagla, Nani Palkhiwala, M. V. Kamath, B. M. Gogte, Dev Anand, T.K. Tope, Nissim Ezekiel, and Smt. Nargis Dutt were recorded by the Bombay Doordarshan Camera team for the short film. As the total duration of the programme was 20 minutes and the statements collected from these persons had to be fitted into those 20 minutes in a balanced manner, some editing was inevitable at the time of compiling the programme.

This was purely to meet the professional needs and requirements. There was no intention whatsoever to suppress the views expressed by anyone and there was no question of any censorship.

The Government's policy in regard to broadcast/telecast of view³ of the Opposition Parties is for the media to present a fair and balanced flow of information including contrasting views without advocating any opinion or ideology of its own and to maintain a non-partisan, and fair approach in the treatment of news and other programmes.
