(b) what is the progress made in providing houses to such families during the last three years?

THE MINISTER OF WORKS AND HOUSING AND SUPPLY AND REHABILITATION (SHRI SKANDAR BAKHT); (a) and (b) A statement is laid on the Table of the Sabha.

Statement

The housing shortage of the beginning of the Fifth Five Year Plan i.e. 1st April, 1974 was estimated at 15.6 million housing units—11.6 million units in rural areas and 3.8 million units in urban areas. Data on the number of homeless families in each State are not available.

The rate of construction of new houses in the country per year is about 3 per 1000 population. This comes to about 2 million per year.

Under the various social housing schemes formulated by the Ministry, 10,25,831 houses had been sanctioned for construction out of which 7,70,422 houses were completed up to the end of December, 1977. Under the scheme for provision of house-sites to landless workers in rural areas, out of about 114 lakh eligible families, about 73 lakh families were allotted house-sites up to 30-11-1977.
