

quite helpless in checking this nuisance: and

(c) if so, what action Government propose to take in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI SHEO NARAIN): (a) to (c) A statement is laid on the Table of the House.

Statement

(a) to (c) No complaint has been received from the public regarding

harassment by undesirable elements. However, during the period 1-4-77 to 31-12-77 there have been 8 cases of assault on the ticket checking parties of Lucknow and Izzatnagar Divisions, comprising Western Section of the North Eastern Railway. These cases have been reported to civil and police authorities for suitable action.

There has been no let-up in the drive against ticketless travellers in this area, as will be seen from the following figures:—

	During the period 1-4-76 to 31-12-1976	During the per- iod 1-4-77 to 31-12-1977
1. No of checks conducted	4,024	4,190
2. No of persons detected travelling without tickets or with improper tickets	28,483	28,620
3. Amount of railways dues realised	Rs. 3,20,604	Rs. 2,03,789
4. No. of persons prosecuted	3,121	4,884
5. No. of persons sent to jail	2,239	3,265
6. Amount of judicial fine realised	Rs. 56,364	Rs. 95,056

As a result of these concentrated drives, the sale of tickets and earnings realised therefrom during the period 1-4-1977 to 31-12-1977 have shown considerable increase over the figures for the corresponding period of last year.

The ticket checking activities have been further intensified.

Oil exploration in Tamil Nadu

*139. SHRIMATI NOORJEHAN REZAK:
SHRI M. KADERSHAH:

Will the Minister of PETROLEUM, CHEMICALS AND FERTILIZERS be pleased to state:

(a) the details of the on-shore and off-shore oil exploration so far carried out in Tamil Nadu:

(b) the names of the agencies engaged in these explorations;

(c) the results achieved so far; and

(d) whether any time bound programme has been chalked out for intensifying oil exploration and exploitation activities in the State?

THE MINISTER OF PETROLEUM, CHEMICALS AND FERTILIZERS (SHRI H. N. BAHUGUNA): (a) to (c) ONGC has conducted intensive geological and geophysical surveys in the Cauvery basin in Tamilnadu and Pondicherry. Based on the results of the surveys, 10 structural wells and 18 deep wells have been drilled so far. There were shows of oil and gas in certain wells but they were not of commercial significance.

A contract was awarded to Asamera Group of oil companies for the off-

shore exploration of the Cauvery basin. The contractors conducted geophysical surveys on the basis of which they drilled one offshore well in the gulf of Mannar but this well proved dry.

(d) Some seismic surveys are currently in progress. ONGC is also planning to carry out geological and geophysical surveys in the selected areas of the State during the next two years. A programme for further exploration and drilling in the Cauvery basin will be chalked out after evaluating the results of the surveys already undertaken and proposed to be undertaken during the next two years.
