(c) if so, what are the reasons therefor?

THE MINISTER OF EDUCATION, SOCIAL WELFARE AND CULTURE (DR. PRATAP CHANDRA CHUNDER): (a) to (c) Yes, Sir. The Northern Regional Office of the Ministry of Education and Social Welfare had appointed a Committee to visit the Madan Mohan Malviya Engineering College, Gorakhpur and other institutions which had submitted proposals for starting post-graduate courses. Meanwhile, the Post-Graduate Board which met on 5th July 1971 resolved that before sanctioning new post-graduate courses, the existing post-graduate courses should be reviewed. Therefore, the Committee could not visit the College and the College was informed accordingly in 1971. On the recommendations of the task force appointed to review post-graduate courses, the Post-Graduate Board decided that new post-graduate courses should be established only in relevant areas depending on their demand. Subsequently, a Screening Committee examined all the pending proposals. The proposal of the Madan Mohan Malviya Engineering College has not been supported by the Screening Committee.
