(b) and (c). Import Policy 1978-79, vide Appendix 9 thereof, requires the Ministry of PC&F to lay down the connected policy in respect of import, price and distribution of bulk drugs figuring in the said Appendix. It is presumed that the reference to releases Ampicillin and its salts is to the recommendation made by this Ministry during the year 1978-79, in respect of only M/s. Cadila Labs. The releases of Ampicillin Anhydrous in favour of this unit have been recommended on the basis of their entitlement as per provisional capacities indicated in their industrial licence in respect of formulations.

Manufacture of bulk drugs by M/s. Organon

1430. SHRIMATI JAMUNA DEVI: Will the Minister of PETROLEUM, CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether it is a fact that M/s. Organon declared the prices of various bulk drugs manufactured by them in 1970 from basic stages;

(b) whether Government are aware that the company, instead of manufacturing some of these drugs, imported the same;

(c) if so, what are the names, quantity and value of such bulk drugs imported by the company since the grant of industrial licence; and

(d) what action has been taken by Government against the company for this violation of the terms of the industrial licence?

THE MINISTER OF PETROLEUM, CHEMICALS AND FERTILIZERS (SHRI H. N. BAHUGUNA): (a) M/s. Organon (I) Ltd. in their letters of 11th June, 1970 and 12th June, 1970 reported the prices of the bulk drugs manufactured by them without specifying whether the prices so reported are for production from the basic stage or not.

(b) and (c) Imports have been allowed in favour of M/s. Organon (I) Ltd. by the DGTD during the year 1973-74 and 1974-75 after due scrutiny of the conditions of their licence, as amended. From the year 1975-76 imports have been allowed by the CCI&E under automatic import licensing policy. M/s. Organon (I) Ltd., have reported *ad hoc* imports of the following bulk drugs during the year 1975 as follows in the context of a shut-down of their Bulk Drug plant due to explosion:—
