

(b) whether it is also a fact that in the process, expenditure on the salaries of the staff of the said foreign office has been increased three-fold and

(c) whether it is also a fact that one of the two officers posted abroad was working as Private Secretary to the Chief Executive?

THE PRIME MINISTER (SHRI MORARJI DESAI): (a) The officer who was initially posted at Warsaw was replaced in the normal course, after completing his two years' tenure, by an officer with the requisite background and long experience in electronics. The latter was selected on the basis of his suitability and past experience.

(b) The increase in expenditure on basic salaries became inevitable as the office had to be upgraded for making an all out effort to build up Electronics Trade and Technology Development Corporation's (ETTDC) export business in a highly competitive environment. Accordingly, in place of one junior executive, two persons—one, in the senior scale (with basic pay of Rs. 2250/-) and another in the junior scale (with basic pay of Rs. 1010) were appointed.

(c) It is a fact that the junior executive who has been posted to assist the senior executive at Warsaw, was previously working as an Executive Assistant in the Secretariat of the Managing Director of ETTDC
