(b) It is for the State Government to take action if any case is brought to their attention.

Reforms in existing education system

†654. PROF. M.M. AGARWAL: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether Government have formulated a national programme to bring reforms in the existing education system, for providing excellent training to teachers and to ensure uniformity in the fields of education:

(b) If so, the details thereof; and

(c) the details of the amount sanctioned to various States under the Centrally Sponsored Schemes during the last three years?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI M.A.A. FATMI): (a) to (c) The education system in the country is guided by the National Policy on Education, 1986 (as modified in 1992) which, among other things, envisages that effective measures will be taken in the direction of the common school system. The Policy also envisages overhauling of the system of teacher education in the country with emphasis on continuing education and the need for teachers to meet the thrusts envisaged in the policy.

Educational Reforms are a continuous process. A Committee of the Central Advisory Board of Education has been constituted on 8.9.2004 under the Chairmanship of Shri Tarun Gogoi, Chief Minister of Assam on the subject of 'Girls Education and the common school system'. The National Council for Teacher Education, a statutory body, is responsible for regulation and the proper observance of norms and standards in teacher education at the Elementary and Secondary levels. The revised Teacher Education Scheme for the Tenth Plan period envisages establishment of one District Institute of Education and Training (DIETV District Resource Centre (DRC) in every District and making them optimally functional and operational or improving the quality of programmes undertaken by them especially those of pre-service and in-service training so as to enable them to effectively play their nodal role in improving quality of Education, as measured in terms of levels of learner achievement.

Three statements indicating the amounts released to various States/ UTs under Centrally Sponsored Schemes (Plan) during the years 2001-02, 2002-03 and 2003-04 are given in the Statement—I, II, III.

†Original notice of the Question was received in Hindi.
