Nomination of Persons in Government

Undertakings

1056. DR. V. P. DUTT :
SHRI HARSH DEO
MALAVIYA :

Will the Minister of FINANCE be pleased to state :

(a) whether there is any proposal under Government's consideration to debar persons convicted of smuggling and similar economic offences from being nominated to the Boards of Directors of the Government, semi-Government or public sector undertakings ;

(b) if so, by when a decision in this regard is likely to be taken; and

(c) whether Government propose to review the cases of all nominated persons in the light of the above proposal ?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE. (SHRI SATISH AGARWAL) : (a) to (c) A person convicted of an offence involving moral turpitude would be regarded as ineligible for Government service. In cases where the appointing authorities feel that there are redeeming features and reasons to believe that such a person has cured himself of the weakness, specific approval of the Government may be obtained to his employment. In accordance with the above criteria, each case has to be examined from the view point of whether the offence committed by a person involved moral turpitude or not. These general instructions would equally apply to nominations to semi-government or public sector undertakings. Therefore, the question of a separate proposal for debarring persons convicted of smuggling and

similar economic offences from being nominated to the Boards of Directors of the Government, semi-Government or public sector undertakings does not arise.
