

रूप से शिवसागर लाई जाय या शिवसागर से नामरूप लाई जाय, अराबर खर्च पड़ेगा।

SHRI NRIPATI RANJAN CHOU-DHURY: Sir, according to the estimate we got from the Minister, the difference in cost is only Rs. 12 crores but there is something wrong in the estimate. The Minister says that if another plant is established at Mazenga, then gas has to be carried from Namrup to that place. That is not correct. For Mazenga no pipeline is necessary; that is quite close to the oilfields. Only for Namrup they have to carry by pipeline. So, no pipeline from Naharkatia and Mazenga is necessary. But he has taken these into account while calculating the cost of the two plants. Whereas people would be uprooted from the land requisitioned for the purpose of expansion of the Namrup Fertiliser Plant, it is not so in the case of Mazenga. Then how do they calculate that the cost of setting up a plant at Mazenga is higher than the expansion of the Namrup plant? So this calculation is not correct. In view of this, may I know from the Minister whether he is going to review his statement and also the decision they have taken?

श्री जनेश्वर मिश्र : मान्यवर, नामरूप में जमीन पहले से उपलब्ध है। अब अधिक से अधिक केवल 90 एकड़ जमीन और चाहिए जब कि शिवसागर में हमें सारी जमीन का एक्वीजिशन करना पड़ेगा। ऐसी हालत में ऐसे सवाल खड़े होंगे कि हम किसानों को उनकी जमीन से बेदखल कर रहे हैं।

श्री एन० पी० चौधरी : वहां भी जमीन आपको लेनी नहीं पड़ेगी। शिवसागर में स्टेट गर्वनमेंट सारी जमीन मुफ्त में देने को तैयार है। फिर आप उस जमीन को क्यों नहीं लते ?

श्री जनेश्वर मिश्र : यदि स्टेट गर्वनमेंट जमीन मुफ्त में देने को तैयार है तो भी किसानों

से वह जमीन खाली कराने में समय लगेगा। इससे खाद के उत्पादन में विलम्ब होगा।

श्री नृपति रंजन चौधरी : यहां भी आपको जमीन खाली करानी पड़ेगी। जहां तक स्वयं दे रहे हैं का सवाल है, पहले जिन लोगों को कहा गया था, उनसे खाली नहीं करा पाए और अब नए लोगों से यह कहा जा रहा है।

MR. DEPUTY CHAIRMAN: Question Hour is over.

मैं मंत्री महोदय से निवेदन करूंगा कि जिन माननीय सदस्यों ने यह प्रश्न पूछा है, उनसे वे अपने दफ्तर में बुला कर चर्चा कर लें।

श्री एच० एन० बहुगुणा : श्रीमान, यदि आपकी आज्ञा हो तो मैं भी कुछ कहूँ। Sir, the position is that, so far as the uprooted persons are concerned, the Government has already deposited the money with the State Government. It is for the State Government to make payments to the people whose land has been taken over in Namrup. As far as the uprooted persons are concerned, it is the policy of this Government to see that we try to accommodate one person from every family whose land we take over by training him and putting him in employment. I think nothing better than this could be done.

Meeting of the D.P.C. of the Medical Department in the Indian Railways

*153. SHRIMATI AZIZA IMAM:
SHRI AHMAD HOSSAIN
MONDAL:

Will the Minister of RAILWAYS be pleased to state:

(a) whether any meeting of the D.P.C. in the Medical Department of

the Railways has been held during the last 4 years; and

(b) if not, what are the reasons therefor?

THE MINISTER OF RAILWAYS (PROF. MADHU DANDAVATE): (a) No, Sir.

(b) It was proposed to the Union Public Service Commission to convene a Departmental Promotion Committee meeting in 1973. This did not materialise as the Recruitment Rules for promotion of Assistant Medical Officers (Class II) as Divisional Medical Officers were revised in the meantime to make the Assistant Medical Officers with Licentiate qualifications also eligible for promotion as Divisional Medical Officers. Revised proposals had to be formulated in keeping with this change. By then, Government had accepted the recommendations of the Third Pay Commission to place Class II Assistant Medical Officers in the Class I scale of Rs. 700—1600 as Assistant Divisional Medical Officers. For this purpose all the Assistant Medical Officers (Class II), numbering over 2000, had to be screened by a Committee set up under the aegis of Union Public Service Commission. The process of screening has been completed only recently and fresh proposals for promotion of Assistant Divisional Medical Officers as Divisional Medical Officers for Departmental Promotion Committee meeting are now being formulated.
