

pay to the academic staff (Medical) of the Vallabhbhai Patel Chest Institute. It was also decided that the revised scales of pay prescribed for corresponding posts in the National Institute of Health and Family Welfare may be adopted in the case of academic (non-medical) staff. However, the academic staff of the Institute has been representing that the University Grants Commission scales of pay may be introduced in their case also. This was considered by a group consisting of representatives of the Director General of Health Services, Vallabhbhai Patel Chest Institute, University of Delhi and the University Grants Commission. This group recommended that before the University Grants Commission scales of pay could be introduced, it would be desirable if the University of Delhi could consider designating the posts of Assistant Directors, Senior Research Officers and Junior Research Officers of the Institute as Professors, Readers and Lecturers according to its rules. The decision of the Delhi University in respect of some of the posts has been received recently and their decision in respect of the remaining posts is awaited.

(a) what is the number of unrecognised primary, middle and higher secondary schools in Delhi which have applied for recognition and what action Government have taken in this regard;

(b) whether it is a fact that the students of these schools seeking admission elsewhere do not get admission in recognised schools; and

(c) if so, what steps Government have taken or propose to take to have only recognised schools in Delhi?

THE MINISTER OF STATE IN THE MINISTRY OF EDUCATION, SOCIAL WELFARE AND CULTURE

(SHRIMATI RENUKA DEVI BARAKATAKI): (a) According to information furnished by the Delhi Administration, 27 unrecognised schools had applied for recognition. Out of these, one school has been granted recognition, the requests of 7 institutions have been rejected as these did not fulfil the requisite conditions prescribed under the Delhi School Education Act, 1973, and 19 applications are under consideration.
