

(6) training of students, medical and nursing, in providing comprehensive health care of children; and

(7) to simplify the routine and delegate responsibility to nurses and para-medical personnel so that education and promotional aspects of health care will not be neglected in a busy clinic.

The concept of organizing special clinics for children below 5 years of age is nothing new. Children's clinics are organized in hospitals and primary health centres. What is new is the name "Under Fives' Clinic".
