

plants, hills, valleys, springs; water bodies etc., but to integrate them intelligently to the maximum possible extent with the rest of the development programme.

(v) Suggestions are made to grow specific plants according to their suitability such as noise-resistant, smoke resistant, dust resistant along the roads, factories and residential areas to check the atmospheric pollution.

Suggestion of the expert committee set up by Government for the allotment of Land to Group Housing Societies

1793. SHRI SURENDRA MOHAN : Will the Minister of WORKS AND HOUSING AND SUPPLY AND REHABILITATION be pleased to state:

(a) whether it is a fact that the expert committee set up by Government has suggested a formula for allotting land to group housing societies and plot housing societies in Delhi under which the cost of land per sq. ft. of built up area of a dwelling unit of the group housing societies would be less than the corresponding cost in respect of plot housing societies; and

(b) if so, whether Government have accepted the formula?

THE MINISTER OF WORKS AND HOUSING AND SUPPLY AND REHABILITATION (SHRI SIKANDAR BAKHT): (a) Yes, Sir.

(b) The matter is under consideration.
