

(ii) Failure of persons other than Railway Staff—22.

(iii) Failure of equipment—29.

(iv) Accidental—8.

(v) Causes not yet finalised—41.

(c) As failure of human element is the largest single factor responsible for accidents, Safety Organisations set up on the Railways have been engaged in inculcating safety consciousness amongst the staff connected with the running of trains and in ensuring that the staff do not violate safety rules or indulge in short cut methods. Thorough inquiries are held into all accidents and appropriate remedial measures are taken.
