#### Merger of Dearness Allowance with pay

\*174. SHRIMATI AMBIKA SONI: Will the Minister of FINANCE be pleased to state:

(a) whether the representatives of the Central Government employees have suggested merger with pay of the Dearness Allowance at 272 points of the cost of living index; and

(b) if so, whether Government have taken any final decision in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRIMATI SUSHILA ROHATGI): (a) and (b) Yes, Sir, The matter came up for discussion at the eighteenth Ordinary Meeting of the National Council (JCM) held on 30-7-76 and 31-7-1976 It was pointed out to the Staff Side that the present time was

not appropriate to think of such merger when the 12 monthly average Consumer Price index was falling and Government had taken measures to check the price rise. In any case, the main object of merging a portion of D.A. with pay is to improve the pensionary benefits, in keeping with the rise in prices. Following the recommendations of the Third Pay Commission, Government have sanctioned five instalments of relief to pensioners, and to this extent they have already been insulated from the increase in the consumer price index. Merger of D.A. with pay would, therefore, confer additional benefits on pensioners, and may not be justified in the present circumstances. After discussion, it was agreed that the matter be deferred for the time being.
