(d) whether in spite of the failure of these mills to clear their outstanding dues, the Jute Corporation of India has further supplied raw jute to these mills; and

(e) if so, what is the quantity of raw jute supplied to these mills and amount involved?

THE DEPUTY MINISTER IN THE MINISTRY OF COMMERCE (SHRI V. P. SINGH) : (a) to (e) A statement is laid on the Table of the House.

**Statement**

(a) Realisations to the extent of Rs. 375.78 lakhs have been effected from 1st January, 1976 to 18th March, 1976.

(b) to (e) Mill-wise break-up of outstanding dues as on 29-2-76 and the quantity of jute supplied to each of them from 1-1-76 to 15-3-76 and the approximate value thereof are indicated in the statement attached. Action taken against the mills include exclusion from back-to-back agreement for 1975-76, institution of arbitration proceedings, regulation of further supplies on the basis of realisations, forcing the mills to come to a phased payment programme and pressurising recalcitrant mills through their Bankers. As the Jute Corporation of India had purchased raw jute under a back-to-back arrangement, supplies had to be continued subject to regulatory measures indicated above.
