#### **Services of Foreign Airlines through Calcutta**

404. SHRI SANAT KUMAR RAHA : Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state the steps taken by Government to induce foreign airlines to operate their services through Calcutta ?

THE MINISTER OF TOURISM AND CIVIL AVIATION (SHRI RAJ BAHADUR) : Every effort is being made to persuade international airlines to operate their services through Calcutta. However a decision or initiative in this behalf lies with a foreign airline in its best commercial judgement. Government of India would welcome and encourage operation of scheduled air services by foreign carriers to/through Calcutta in accordance with their traffic entitlements and has taken a number of steps to make Calcutta airport to be the first modern international airport in India. There crores of rupees have been spent in providing a new terminal building, an operational block, and approach roads and in modernising radio navigational aids besides extending and strengthening runways and installation of versatile and sophisticated radar equipment at Calcutta airport. Apart from this, India Tourism Development Corporation has constructed a hotel at airport at a cost of Rs. 2.60 crores to augment facilities for tourists. It is hoped that foreign airlines would come forward and take the necessary initiative in this regard.
