THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI OM MEHTA) : (a) and (b) According to information received from the Government of Gujarat, a procession was taken out on the 6th September, 1974. A few representatives presented a memorandum to the Governor demanding, *inter-alia*, judicial inquiry into certain communal incidents which had taken place in the State, imposition of punitive tax on non-Muslims, implementation of the recommendations of the Reddy Commission, provision of adequate facilities for prayers, mosques and grave yards and improvement of employment and other opportunities for Muslims. The demands have been examined carefully by the State Government. They have instituted administrative/magisterial inquiries and do not consider it necessary to have judicial inquiries into any incident. They also do not see any justification for imposition of punitive tax on non-Muslims. The recommendations of the Reddy Commission have been accepted by the State Government and are being implemented. Suitable facilities for mosques, graveyards and for holding prayers exist. A high power Committee has been constituted by the State Government to examine the problems of minorities and to take measures for improvement in their social, educational and economic conditions. A suitable reply is being sent by the State Government to the deputationists.
