Central Reluctance for expansion of electronic industry in West Bengal

993. SHRI KALYAN ROY : Will the Minister of ELECTRONICS be pleased to state :

(a) whether it is a fact that the Central Government are not permitting expansion of electronic industry in West Bengal ;

(b) if so, the reasons therefor ;

(c) whether applications for setting up electronic factories for producing magnetic tapes were received from West Bengal, Gujarat and other States and if so, the details thereof ; and

(d) how many of these applications have since been sanctioned and by when all the pending applications will be disposed of ?

THE PRIME MINISTER (SHRIMATI INDIRA GANDHI): (a) and (b) Government have provided licences and letters of intent to a number of parties in West Bengal in recent years for manufacture of several electronic items. Expansion of the existing units is also being permitted according to the policy guidelines laid down by Government.

(c) and (d) A statement showing the applications received for the manufacture of Magnetic Tapes is enclosed together with the decisions taken on them. No other applications for this term now pending with Government.
