

pressed by Dr. H. K. Paranjape at the meeting under the auspices of the National Productivity Council were only his personal views and as such there is no question of reaction by the Government particularly as Dr. Paranjape had not mentioned any specific instance.

(b) It is seen from the authoritative text of the record of discussion forwarded by the Commission's office that Dr. Paranjape did not mention any company by name in connection with the statement quoted by the Member. The words used by Dr. Paranjape, as they appear in the record of discussion, were as follows :

"Sometimes a company which is more competent and expert in a particular field is encouraged not to develop in its own specialised field but to expand into some quite new fields or a core industry, even though it may have no special expertise for such an industry".

Re-instatement of dismissed Railway employees

552. SHRI SYED AHMED HASHMI : Will the Minister of RAILWAYS be pleased to state :

(a) whether it is a fact that eleven major railwaymen's Unions of Europe and Australia have urged the Government of India to reinstate all railway men removed from service following the strike in May this year; and

(b) if so, what is Government's reaction thereto ?

THE MINISTER OF RAILWAYS (SHRI L.N. MISHRA) : (a) Yes Sir— from 10 unions.

(b) The Government's policy is not to victimise employees for legitimate Trade Union activities. However, when they act against the law of the land, appropriate action has to be taken. The policy of looking into individual appeals sympathetically has already been announced in the Parliament, and as a result of it about 85% of those employees who were dismissed or removed and who appealed have been taken back.
