

**LETTERS OF AUTHORITY FOR IMPORT OF
RAW MATERIALS**

1221. SHRI B. P. NAGARAJA MURTHY

SHRI B. RACHAIAH: Will the Minister of COMMERCE be pleased to state:

(a) whether Government have reviewed its policy of issuing letters of authority for import of raw materials;

(b) whether it is a fact that there is an all round criticism that both the STC and M.M.T.C. are not in a position to make available canalised raw materials in time which has adversely affected production schedules particularly on the export front; and

(c) if so, what changes in the policy of Government are contemplated?

THE DEPUTY MINISTER IN THE MINISTRY OF COMMERCE (SHRI V.P.SINGH): (a) Yes, Sir.

(b) Due to oil crisis in October, 1973 and inflationary trends, shortages in world markets developed in respect of certain raw materials. This led to some criticism about delay or non-supply of some material. The situation has since improved considerably.

(c) As per the policy of Government in the matter of issue of letters of authority in respect of canalised items, letters of authority are issued:—

(i) to registered exporters (except in the case of a few canalised items) or their nominees where such items are covered by the shopping list against the export products concerned;

(ii) to all actual users for a period of six months whenever an item is newly canalised, in order to enable the canalising agency to make sufficient arrangements for import of the newly canalised items; and

(iii) in cases where the canalising agency issues a "no objection certificate", due to reasons like small quantum and varied specifications of the raw materials, etc. be imported.
