SHRI QASIM ALI ABID :

Will the Minister of EXTERNAL AFFAIRS be pleased to refer to the answer to Unstarred Question 385 given in Rajya Sabha on the 26th July, 1974 and state :

(a) whether it is a fact that most of the Ribats set up by the Indians in Saudi

Arabia are now in the possession of Saudi Arabian caretakers, who let out accommodation in those Ribats and utilise the amount collected for their own purpose; and

(b) if so, whether Government propose to take up the matter with the Saudi Arabian Government to ascertain the number of such Ribats and ensure that they are utilised for the purpose for which they were originally constructed ?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI Y. B. CHAVAN) : (a) and (b) The existence of many Ribats, whether they are recognised as Ribats under Indian and Saudi law and whether they may have been endowed or set up by Muslims of India, has been the subject of detailed investigations involving the tracing of old records and correspondence, exchanges of information with the Saudi Arabian authorities and other concerned organisations. Under Saudi Arabian law, the Nazirs (Managers) should be Saudi nationals. The primary responsibility for the proper running of such Ribats rests with the heirs of the Indian endowers and their Nazirs in Saudi Arabia. Government for its part seeks to persuade the heirs to ensure the administrative efficiency of these institutions and encourages them to take an active interest in maintaining and utilising them for the purpose they were originally created, in cooperation of the Saudi authorities.
