

It is felt that in a short term measure it is not advisable to relax this any further relaxation would not be advisable as it would dilute the effect of the assurance.

**+Export of Iron Ore**

21J. SHRI YOGENDRA SHARMA : SHRI S. KUMARAN :

Will the Minister of COMMERCE be pleased to state :

(a) whether it is a fact that Government have been exporting iron ore at a very low cost to Japan, as compared to the price of steel in the international market;

(b) if so, the details thereof and the reason therefor; and

(c) whether Government have a proposal to set up plants to convert iron ore into pig iron; if so, the details thereof; and what steps are being taken by Government in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF COMMERCE (SHRI VJSHWANATI-1 PRATAP SINGH): (a) and (b) Our exports of iron ore to Japan, and also to other destinations, are made at internationally competitive prices. Through prices of iron ore exported to various countries have been increased during the last one year or so, yet, it is correct the international prices of steel have registered a much bigger increase. Government of India are making efforts to secure increase in prices of iron ore in cooperation with other exporting countries.

(c) There is no proposal to set up plants exclusively for the conversion of iron ore into pig iron, other than the plans for expansion of steel industry.
