Statement

Presumably the Members want to have information about funds 'earmarked' for

the construction of, and repairs to, National Highways in Madhya Pradesh and Rajasthan and actual disbursements against those funds. There is, however, no such State-wise earmarking of funds in respect of National Highways over a Plan period. Funds are allotted yearly according to budgetary resources and total requirements and utilised by States on the basis of work-wise allotment made to them. The table below indicates the funds allotted to Madhya Pradesh and Rajasthan for construction and repairs of National Highways and actual expenditure incurred by them against those allotments:

(Rs. in lakhs)

State	Construction		Repairs	
	Funds allotted	Expenditure	Funds allotted	Expenditure
Madhya Pradesh	898.52	955.75	457.62	465.32
Rajasthan	702.00	702.77	362.82	370.86
