Memorandum Submitted by Port Trust of Paradeep

•234. SHRI RABI RAY: Will the Minister of SHIPPING AND TRANSPORT be pleased to state:

(a) whether it is a fact that some months back the Deputy Minister of Shipping and Transport visited Paradeep Port;

(b) if so, whether it is also a fact that a memorandum was submitted to him by a member of the Port Trust of Paradeep; and

(c) what are the main demands enumerated in the memorandum and the action taken by Government thereon?

THE MINISTER OF SHIPPING AND TRANSPORT (SHRI KAMLAPATI TRIPATHI): (a) Yes, Sir.

(b) Yes.

(c) The main demands enumerated in the Memorandum and the position regarding them are indicated below:

Ship building Yard.—Government had appointed a Techno-economic Working Group of officers to examine the various sites recommended by the State Governments. The Working Group evaluated from the technical and economic point of view the various sites recommended and have submitted their report which is under examination. Recently negotiations were also held with certain consultants for preparation of preliminary project reports on the various sites found suitable by the Techno-Economic Working Group. A final decision in the matter will be taken by the Government.

ment after receipt and evaluation of the various preliminary project reports.

Under-utilisation of Port's capacity to handle Iron ore should be rectified and increased capacity should be created.—This matter has been taken up with the Railways and the Minerals and Metals Trading Corporation to ensure better movement of ore. Separately, it has been assessed that by the end of 5th Plan Period, Paradip may be handling 4-5 million tonnes of Iron ore. It will be possible to do so by improving the handling capacity of the existing plant.

Development of Paradip Township.—This is linked with the question of transfer of land to the Port Trust by the State Government. This was recently discussed with the Government of Orissa who have been urged to find an early solution to this matter.

Financial help to the Port.—Plans for development, as per assessed requirements, are given.

For meeting other liabilities, ways and means advances are also given.
