

(b) The milk requirements of the residents of the North-West Moti Bagh are being conveniently catered to from Delhi Milk Scheme Milk Booth No. 1085 located in Moti Bagh 1. Delhi Milk Scheme opens new depots in various localities only when the residents of the area hold milk tokens for more than 300 bottles for each shift, as it is not economical to operate the milk depots with a lesser off-take. On the basis of the survey conducted by the Delhi Milk Scheme, it has been observed that the residents of the Area hold at present milk tokens for a total quantity of 140 bottles and this will not justify the opening of a new depot exclusively for this area for the time being.
