488. SHRI BRAHMANANDA PANDA:
SHRI YOGENDRA SHARMA:

Will the Minister of INDUSTRIAL DEVELOPMENT AND SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether it is a fact that the Delhi Small Scale Industrial Development Corporation has sanctioned in the last week of November, 1973 some industrial plots in Narela Industrial Complex, Delhi and asked the parties to deposit advances according to the size of the plot;

(b) if so, the number of parties who were allotted plots by the Corporation;

(c) whether it is a fact that the Directorate of Industries, Delhi before recommending the parties for allotment of plots scrutinised each case; and

(d) if so, whether the parties have since been given the plots; if not, the reasons for the delay and what steps are being taken in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OF INDUSTRIAL DEVELOPMENT (SHRI ZIAUR RAHMAN ANSARI): (a) Delhi Small Industries Development Corporation has not sanctioned Industrial plots in Narela Industrial Complex to any party in the last week of November, 1973. However, on the basis of the recommendation of the Screening Committee for allotment of land in Narela Industrial Complex constituted by the Delhi Administration, two parties who initially indicated their willingness to seek allocation of land were informed about the extent of the area earmarked for their projects. They were also asked to express their willingness to make an interim deposit by way of 50 per cent of the provisional payment by 31-1-1974, after executing the prescribed undertaking.

(b) No allotment of plots has yet been made to any one by Delhi Small Industries Development Corporation.

(c) The screening committee for allotment of land in Narela Industrial Complex in its meeting held on 28-11-1973 considered all the applications for allotment of land

received upto 3-11-1973 by the Directorate of Industries and the Delhi Small Industries Development Corporation.

(d) As some legal and procedural objections have been raised and there is a stay order from the court in respect of part of the land, the progress of development of the Industrial Complex has been delayed. The matter is being sorted out by the Delhi Administration.
