better functioning, but I should like to assure the hon. Member that this Committee has been giving reports on evaluation and assessment of the situation. As I said, it is always possible to improve the work of any committee or any individual and the hon. Member's suggestion that this question should be reviewed is a good one. As a matter of fact, we do review the working of these various agencies from time to time.

MR. CHAIRMAN: Mr. Tyagi, next question.

SHRI NIREN GHOSH: On a point of order. Who is the present occupant of this office? His name was not given.

भी भोदम् प्रकाश त्यागी: अघ्यक्ष महोदय, जो वक्तव्य यहां रखा गया है उसको पढ़ने से एक बात साफ प्रगट हो रही है कि माननीय प्रधान मंत्री महोदया ने विशेष रूप से उत्तर प्रदेश और उड़ीसा प्रान्त में ही आधारशिलाएं रखीं और उद्घाटन भी विभिन्न संस्थानों के किए, जब कि वहां चुनाव थे।

MR. CHAIRMAN: The question relates only to U. P.

श्री श्रो२म प्रकाश त्यागी: श्रध्यक्ष महोदय, यह बात नहीं है, दूसरी स्टेटस के लिए भी है।

MR. CHAIRMAN: Yes, you are right. Please go on.

श्री श्रो३म् प्रकाश त्यागी : श्रध्यक्ष महोदय, इस वक्तव्य के अनुसार सिर्फ गुजरात श्रौर कर्नाटक में तीन संस्थानों की श्रापने श्राधारिणला रखी है, बाकी सब उत्तर प्रदेश श्रौर उड़ीसा में ही है। तो मैं यह विशेष रूप से जानना चाहूंगा कि प्रधान मंत्री महोदया ने इन दोनों प्रान्तों में चुनाव के श्रवसर पर ही श्राधारिणला रखने का श्रौर उद्घाटन करने का कार्यक्रम क्यों बनाया? क्या यह सच नहीं है कि प्रधान मंत्री महोदया ने श्रपने पद श्रौर सरकारी धन का श्रपनी पार्टी के चुनाव श्रभियान में इस प्रकार संवैधानिक श्रौर नैतिक दिष्टिकोण से दश्वयोग किया?

श्रीमती इंदिरा गांधी: जी नहीं, यह विलक्षल सच नहीं है। वहां जाने का एक कारण तो यही है कि माननीय सदस्य की जो पार्टी है, वह हर वक्त यही कहती रहती है कि इन दो प्रान्तों में कुछ काम नहीं हुआ है और करना चाहिए।

श्री श्रोदम् प्रकाश त्यागी: श्रध्यक्ष महोदय, मैंने खास तौर से प्रश्न पूछा है कि उद्घाटन करने श्रौर श्राधारशिला रखने का समय चुनाव के अवसर पर ही क्यों चुना गया?

श्रीमती इंदिरा गांधी: उसी वक्त इन लोगों ने कहा कि कुछ हो नहीं रहा है। तब भी यह शिलान्यास या उद्घाटन चुनाव के समय नहीं किये गये, उसके पहले किये गये थे।

श्री श्रो३म प्रकाश त्यागी: श्रध्यक्ष महोदय, मैं विशेष रूप से यह जानना चाहूंगा प्रधान मंत्री जी से कि क्या ऐसे संस्थानों धीर विश्वविद्यालयों का भी भापने उद्घाटन किया या उनकी भाभारिसला रखी कि जो पहले से प्लानिंग कमीशन ने स्वीकार नहीं किये थे या जिनको यु०जी०सी०ने स्वीकार नहीं किया था? क्या ऐसे संस्थानों की भी आधार-शिला रखी गयी है? उदाहरण के तौर पर हरिद्वार में जो एक ब्रिज है उसको लीजिए। मैं उस दिन वहीं उपस्थित था और खास तौर से आप की सुचना पाने के बाद में वहां देखने गया। अध्यक्ष महोदय, वह पूल बन भी चका है आधा, लेकिन उस की आधारणिला उस दिन रखी गयी। तो इस प्रकार की कितनी ऐसी संस्थायें हैं जिस की आधारशिला इस प्रकार रखी गयी कि जिनका कार्य पहले से ही आरम्भ हो चका है और जिनकी ग्राधारशिला ग्रापने चनाव के पूर्व रखी है श्रीर कितने संस्थान या विश्वविद्यालय ऐसे हैं कि जिनको प्लानिंग कमीशन ने ग्रपनी मंजरी नहीं दी या जिनको यु०जी०सी०ने स्वीकार नहीं किया श्रीर उन की आधारशिला आपने चुनाव होने के पूर्व रखी हैं ? इस का विवरण ग्राप दे दीजिए।

SHRI MOHAN DHARIA: The hon. Member has made several allegations. I would like to clarify to the House today that whatever inaugurations have been made or whatever foundation-stones have been laid by the hon. Prime Minister, they are the schemes either from the Centre or form the State Governments, and they have been approved by the State Governments or by the Central Government. There is no question that without any proper approval the foundation-stones have been laid or the other projects have been inaugurated.

श्री श्रो३म प्रकाश त्यागी: श्रध्यक्ष महोदय, मेरे प्रश्न के एक भाग का उत्तर मुझे नहीं मिला। मैंने विशेष रूप से यह पूछा था कि क्या ऐसे संस्थानों की ग्राधारशिला भी रखी गयी है जो पहले से प्रारम्भ हो चुके हैं श्रोर पूरे होने की स्टेज में हैं। श्राधारशिला तो शुरू में रखी जाती है, गर्भाधान शुरू में होता है या ब्राखिर में होता है, बच्चा पैदा होन के बाद? SHRI MOHAN DHARIA: There was no question of laying the foundation-stones after the works were absolutely in progress. It is nothing but an election propaganda being made by the hon Member.

SHRI PITAMBER DAS: I am very happy and I am thankful to the Prime Minister for the prompt and immediate response that our demand has received at her hands. Very much against her nature, she has done it; I am very grateful. Howerver, I would like to know about these 9 projects that have been intugurated and these 34 projects for which foundation-stones have been laid, whether it is not a fact that some of them have really not so far received the sanction of the proper authority or of the agency entitled to give that sanction?

SHRI D. P DHAR: This question has been clarified by my colleague. I would like to assure this hon. House that the projects which were either inaugurated or the projects for which the foundation-stones were laid find their due place either in the Central schemes or in the Plan schemes of the States.

SHRI MONORANJAN ROY: On the eve of the 1972 elections, the Prime Minister assured that the Howrah-Amta railway will be restored. When can we expect that that assurance will be fulfilled and inaugurated by the Prime Minister?

MR. CHAIRMAN: This question does not arise; this question is about inauguration. Mr. Dhar, do you wish to say anything?

SHRI D'. P. DHAR: The question) of the Howrah Bridge has been raised . . .

SHRI MONORANJAN ROY: Not the Howrah Bridge, the Howrah-Amta Railway.

SHRI D. P. DHAR: This is part of the Railway Plan and this is under consideration.

SHRI C. D. PANDE: I am not inclined to take an uncharitable view of these foundationstones. The people of UP are really grateful to the Prime Minister for taking up so many big schemes some of which are of national importance for example, this Narora Atomic Plant which will create four lakhs of kw. of electricity, ect. . . .

MR. CHAIRMAN: What is the question? SHRI C. D. PANDE: I am putting the question.

Sir, we in the hills are particularly grateful to the Prime Minister for her joining the two approach lines. The question is if these schemes are speedily implemented it will give a face lift to the whole of Uttar Pradesh. But my worry is whether the Prime Minister will take personal interest that these schemes are implemented with the utmost speed so that the benefit may come as soon as possible.

SHRIMATI INDIRA GANDHI: I can assure the hon'ble Member that I am taking personal interest, and it is because of the personal interest that I took, not just before the elections but for two years before, that we were able to have these foundation-stone laying ceremonies as well as the several inauguration functions which proved that several projects had also been completed.

DR. V. A. SEYID MUHAMMAD: Is the Minister aware that the allegations without foundation are mainly responsible for destruction of the very foundation of Mr. O. P. Tyagi's party? (No reply).

Corporation for export of electronic goods

•128. SHRI LOKANATH MISRA:}; SHRI K. C PANDA: SHRI SUNDER MANI PATEL: SHRI DEBANANDA AMAT:

Will the Minister of ELECTRONICS be pleased to state:

- (a) whether there is any proposal under Government's consideration to set up a separate Corporation for the import and export of electronic goods;
 - (b) if so, the reasons therefor; and
- (c) the extent to which electronics industry in the country is likely to get a boost consequently?

THE MINISTER OF ATOMIC ENERGY. ELECTRONICS AND SPACE (SHRI K. C. PANT): (a) to (c) A statement is laid on the Table of the House.

ITransferred from the 26th February, 1974.

JThe question was actually asked on the floor of the House by Shri Lokanath Misra.
