

close collaboration with the U.G.C. Implementation Committee on Examination Reform.

(3) The Commission is initiating co-ordinated programmes for development of post-graduate education.

(4) The Commission is implementing a programme for the improvement of Science Education in selected colleges. It has also been decided to introduce similar programmes for humanities and social sciences.

(5) Efforts are being made to develop collaborative and inter-disciplinary programmes of courses and research involving several departments,

(6) Attempts are being made to re-structure courses of study so as to make them relevant to local and regional needs including those of rural areas and also introduce work experience as part of college education.

(7) Programmes have been initiated to check the growth in enrolment in formal education and to divert a considerable proportion of students to benefit from correspondence courses, evening classes and part-time courses.

(8) A beginning has been made to provide direct support for research in Universities and also to build up the necessary infra-structure required for sustained research.]

Submission of Report on the Status of Women
