Thumba Equatorial Rocket Launching Station at Trivandram

1699. SHRI GOPINATHAN NAIR: Will the Minister of SPACE be pleased to state:

(a) whether there is any threat of sea erosion to the launching base of the Thumba Equatorial Rocket Launching Station at Trivandram; and

(b) if so, what steps have been taken to prevent the threat of sea erosion?

THE PRIME MINISTER AND MINISTER OF SPACE (SHRIMATI INDIRA GANDHI): (a) and (b). The Government are aware of the unusual sea erosion that occurred during the monsoon of 1973 posing some danger to the Control Centre Building of the Thumba Equatorial Rocket Launching Station. Immediate steps were taken to protect the sand barrier near the TERLS. Permanent steps to be taken in order to guard against any future erosion are being examined.

Pension to Central Government Employees Absorbed in Public Sector Undertakings and Autonomous Bodies

1700. SHRI D. THENGARI:
SHRI E. M. SANGMA:
SHRIMATI PRATIBHA
SINGH:

Will the PRIME MINISTER be pleased to state;

(a) whether the facility of pension and other allied benefits as applicable to Central Government Employees absorbed in Public Sector Undertakings, are not made applicable to Cen-

tral Government Employees absorbed in autonomous bodies established under a statutory Act of Parliament and Society Act;

(b) if so, what are the reasons therefor; and

(c) the steps Government propose to take to remove the anomaly, and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS AND IN THE DEPARTMENT OF PERSONNEL (SHRI RAM NIWAS MIRDHA): (a) Government servants absorbed in the public undertakings and other autonomous bodies in public interest are allowed proportionate retirement benefits and the benefits of carry forward of leave. The proportionate benefits are payable from the date of absorption in the case of a Government servant absorbed in a public undertaking, whereas in the case of a Government servant absorbed in an autonomous body these are paid from the date he would have become eligible to seek voluntary retirement from Government service in accordance with the rules applicable to him or from the date of absorption whichever is later,

(b) and (c) Since absorptions in autonomous bodies stand on a different footing from those in public undertakings parity of treatment in these two types of cases is not considered necessary.
