

into certain specific allegations pertaining to the Lucknow Division relating to some administrative matters. Air Core C. R. Kurpad (Retd.) Managing Director, MIG Complex who enquired into the matter has completed the enquiry.

(b) The report of the enquiry is still under consideration of the HAL management.

Indian know-how in Steel Manufacture

*276. SHRIMATI LAKSHMI KUMARI CHUNDAWAT:
SHRIMATI PRATIBHA SINGH :
SHRISAWAISINGH SISODIA:

Will the Minister of STEEL AND MINES be pleased to state :

(a) whether Government are satisfied with India's know-how in steel manufacture in comparison with the developed countries ; and

(b) if not, the steps taken by Government to acquire better know-how?

THE MINISTER OF HEAVY INDUSTRY AND STEEL AND MINES (SHRI T. A. PAI) : (a) and (b) By and large, the know-how available in the country for manufacture of steel can be considered adequate. However, for certain special qualities of steels and sophisticated products, know-how would have to be acquired from developed countries for which action is taken as required.
