

THE MINISTER OF WORKS AND HOUSING (SHRI BHOLA PASWAN SHASTRI) : (a) to (c) A statement is laid on the Table of the Sabha.

#### STATEMENT

In September, 1972, the Calcutta Metropolitan Development Authority took a decision for developing quarries at Indrabil in the district of Purulia (West Bengal). But subsequently the Government of West Bengal decided that the development of quarries would be done by the West Bengal Mineral Development and Trading Corporation.

Railway Authorities were requested to conduct a detailed survey of the area for affording railway siding facility for rake movement in Indrabil area where the quarries are proposed to be developed. The survey report from the Railways is awaited. Unless rake movement facilities are developed, material extracted at the quarries would not find its way to the sites of work, and as such the matter is dependent on the Railway's report.
