SHRI SUNDAR MANI PATEL :

Will the Minister of DEFENCE be pleased to state :

(a) whether Government's attention has been invited to the observations made by the former Defence Secretary, Shri P.V.R. Rao, recently published in the *Statesman* of March 31, 1973 to the effect that the scheme to manufacture HS-748 aircraft under licence in this country is a clear illustration of divided counsel and misplaced loyalties, and a classic example of how not to handle a vital defence project; and

(b) if so, Government's reaction thereto ?

THE MINISTER OF STATE  
(DEFENCE PRODUCTION) IN THE  
MINISTRY OF DEFENCE (SHRI VIDYA  
CHARAN SHUKLA) : (a) Yes, Sir.

(b) The observations stated to have been made by Shri P. V. R. Rao have been looked into by the Government. The manufacture of this aircraft was decided upon after

Government considered all the offers on their merits in 1959 based on the recommendations of a Committee of experts. There was no question of any divided council and misplaced loyalties, in this matter. Regarding his alleged observation about the lapses in handling this project, it may be stated that this project was a subject matter of detailed examination by the Public Accounts Committee, (vide their 37th Report-1964-65) and the Committee on Public Undertakings (Eighth Report—1967-68). These observations had been noted by the Government.
