SHRI SALIL KUMAR GANGULI :

SHRI SUHRID MULLICK CHOUDHARY :

Will the Minister of WORKS AND HOUSING be pleased to state :

(a) whether it is a fact that in certain localities of Delhi/New Delhi there is

constant water supply whereas in certain other parts the supply is very much restricted;

(b) whether there is likelihood of a serious drinking water shortage during this summer in the Capital; and

(c) whether any steps have been taken by Government to ensure adequate supply of drinking water and if so, the details thereof?

THE MINISTER OF WORKS AND HOUSING (SHRI BHOLA PASWAN SHASTRI) : (a) to (c) A statement is laid on the Table of the Sabha.

STATEMENT

(a) In most of areas under the Municipal Corporation of Delhi and in New Delhi Municipal Committee areas, the water supply is intermittent and supplied from Reservoirs from 4.00 A.M. to 11.00 A.M. and from 4.00 P.M. to 10.00 P.M. But in some parts of Delhi where the storage Reservoirs are not ready, the distribution system has been connected, directly from the rising mains. The supply of water in such parts is for 24 hours. Such areas are parts of old City, West Delhi and South Delhi.

(b) No, Sir.

(c) The water supply in Delhi at present, is of the order of 175 M.G.D. Steps have been taken to augment this supply by another 15 M.G.D. by about the end of May, 1973 as per details given below:—

1. Wazirabad Water Plant (Capacity to be utilised upon construction of the main).	5 M.G.D
2. Second Ranney well at Wazirabad	2.5M.G.D
3. Two Ranney wells near Patpar Ganj	5.0M.G.D
4. Overloading the Plant at Wazirabad.	2.5M.G.D

The New Delhi Municipal Committee have taken some steps to augment/improve water supply in certain localities. 5 tube-wells are under construction which will improve water supply in Moti Bagh, Sarojini Nagar, Lody Colony, Karbala and Gole Market.

A booster pump has been installed in Moti Bagh for increasing pressure and similar booster pumps are under installation for Sarojini Nagar and Netaji Nagar.

An additional main is under construction along 'M' Avenue for improving supply in Netaji Nagar. Another 6" main along Brigadier Hoshiar Singh Road to remove dead ends has been laid with consequent improvement in water supply in certain parts of Sarojini Nagar.

T. B. HOSPITAL AT NARELA

*193. **SHRI SHYAMLAL GUPTA :**
SHRI M. K. MOHTA :

Will the Minister of **HEALTH AND FAMILY PLANNING** be pleased to state :

(a) whether T. B. Hospital built at Narela by the Delhi Municipal Corporation has remained unused since 1968;

(b) the amount spent on the construction of this hospital and purchase of equipment;

(c) whether Government have made any enquiry with regard to the hospital lying unused; and

(d) if so, the result thereof and the steps taken by Government in the matter?

THE DEPUTY MINISTER IN THE MINISTRY OF HEALTH AND FAMILY PLANNING (SHRI A. K. KISKU) : (a) Yes, Sir. The beds (22) could not be commissioned due to lack of water supply and accommodation for essential staff. However, the O.P.D. of the Hospital is functioning since February, 1968.

(b) An amount of Rs. 2.5 lakhs was spent on construction of the Hospital and Rs. 3,000 for purchase of hospital beds.

(c) and (d) The beds could not be commissioned because of lack of water supply and accommodation for essential staff. Water supply has now been arranged and steps are being taken to start the indoor section after acquiring some rented accommodation for essential staff.
