RISE IN PRICES OF CLOTH

1011. SHRI SANAT KUMAR RAHA: Will the Minister of COMMERCE be pleased to state:

- (a) the increase in prices of cloth after the announcement of the Budget proposals for 1973-74:
- (b) the increase if any in prices of cotton during this period;
- (c) the reasons to which the rise in prices of cloth is attributable; and
- (d) the steps taken to check the rise in prices?

THE DEPUTY MINISTER IN THE MINISTRY OF COMMERCE (SHRI A. C. GEORGE); (a) There has been some increase which cannot exactly be quantified.

- (b) Between April 1972 and April 1973, cotton prices rose by 19 per cent. Between February 1973 and April 1973, the rise has been 3-4 per cent for indigenous cottons.
- (c) The prices of cloth do not have exclusive linkage with the prices of cotton. Apart from the prices of cotton, the cost of other inputs, viz., labour, power and fuel etc. has gone up in recent times. During this period power cuts and reduced production were important factors in the price rise
- (d) Government has set up a Committee to go into the question and recommended measures to keep prices within justifiable limits.
