

(b) and (c) The report published in the 'MothersJai' of 31st December, 1912 is not corroborated by the vast coverage about this Test in the other important national dailies. According to knowledgeable circles, including the Press in general, this Match was keenly contested and the Indian team put in the best possible performance.

How,ever, the 'Motherland' report has been brought to the notice of the Board of Control for Cricket in India which is the national body concerned with the conduct of these Test Matches, for such action as they deem necessary.

SHRI DAHYABHAI V. PATEL (Gujarat): Sir, I beg to call the attention of the Minister of Finance to the devaluation of the U.S. dollar and its impact on the Indian Rupee and the economy of the country.

[MR. DEPUTY CHAIRMAN in the Chair]

THE MINISTER OF FINANCE (SHRI Y. B. CHAVAN): Mr. Deputy Chairman, Sir, it will be recalled that in December 1971, there was a realignment of currencies as a result of the agreement among the Group of Ten at a meeting which took place at the Smith-Sonian Institution in Washington. The International Monetary Fund gave approval to the realignment of currencies and invited other countries to declare exchange rates for their currencies which would be described as Central Rates. The Fund also permitted variations around such Central Rates within a margin of 21 per cent. We took the decision at that time to designate the Central Rate of the Indian rupee at Rs. 18.9677
