

competition in the industry on its own. Against the above backdrop, Board for Reconstruction of Public Sector Enterprises (BRPSE) considered the revival proposal of the company on 28.7.2010 and felt that unless a strategic partner was introduced, it would not be possible for the company to turnaround.

#### **Delegation of powers to Panchayats**

892. SHRI RAMA CHANDRA KHUNTIA: Will the Minister of PANCHAYATI RAJ be pleased to state:

(a) whether all the State Governments have delegated some of the powers to Panchayat Samitis and Zila Parishads;

(b) whether powers delegated to Panchayat Raj Institutions are same in all the States or differ from State to State; and

(c) the details of State Government's powers which have been delegated to Panchayat Samiti and Zila Parishad in Orissa?

THE MINISTER OF PANCHAYATI RAJ (SHRI C.P. JOSHI): (a) and (b) As per Article 243G of the Constitution, State Legislatures are to endow Panchayats with powers and authority as may be necessary to enable them to function as institutions of self-Government and to implement schemes for economic development and social justice, including those in relation to matter listed in Eleventh Schedule. As such the devolution of Functions, Funds and Functionaries (3Fs) to the Panchayati Raj Institutions is not the same in all the States/UTs.

(c) As per information furnished by the Government Orissa, 21 subjects out of 29 have been devolved to 3 tiers of Panchayats in respect of 11 departments. The department-wise details of powers devolved to Zilla Parishad (ZP) and Panchayat Samiti (PS) are given in Statement (See below).

Roles assigned to ZP and PS are as follows in this regard:-

- District Level Officer, the Block Level Officers and functionaries of the 11 departments will remain accountable to ZP and PS for implementation of subjects/schemes transferred to PRIs. But they will continue as the employees of their respective departments.
- The District level and Block Level functionaries of different departments will attend the meeting of ZP and PS.
- They shall plan on the schemes for discussion and approval in the meeting of respective level of PRIs.
- The President, ZP and Chairman, PS can supervise the work and functions of Government at functionaries at respective level. They can submit the proposal to appropriate level about indiscipline, irregularities and other shortcomings.

The President, ZP and the Chairman, PS are delegated with power to sanction leave of Head of Office/Institution of 11 departments working at the respective level.

**Statement**

*Details of powers devolved to Panchayat Samities and Zilla Parishads by the Government of Orissa.*

**Activity**

**Distribution of functions**

**Department: Co-operation**

**I. Agriculture**

Zila Parishad		Panchayat Samiti
1		2
Credit	<ol style="list-style-type: none"> <li>1. Prepare Credit plan.</li> <li>2. Ensure timely credit availability and linkage between agriculture development and credit institutions and credit mobilization.</li> </ol>	<ol style="list-style-type: none"> <li>1. Establish MFP nurseries for propagation of MFP species.</li> <li>2. Fixation of prices of MFPS.</li> </ol>
Training	<ol style="list-style-type: none"> <li>1. Organize training for scientific tapping of gums, resins and grading MFPS</li> </ol>	

MFP collection	<ol style="list-style-type: none"> <li>1. Monitor MFP collection activities in forest ranges.</li> <li>2. Timely payment of collection.</li> </ol>	<ol style="list-style-type: none"> <li>1. Organize item-wise MFP co-operative like Kendu leaf.</li> <li>2. Fix support prices of MFP procurement.</li> </ol>
Processing and marketing charges	<ol style="list-style-type: none"> <li>1. Set-up small-scale industrial units for value addition to MFPs.</li> <li>2. Establish godowns for storage of MFPs.</li> <li>3. Strengthen market intelligence and market extension.</li> </ol>	<ol style="list-style-type: none"> <li>1. Liaise with forest department of construction of JFMC for MFP regeneration collection, processing and marketing.</li> <li>2. Ensure value addition to MFP before it leaves the forest areas.</li> </ol>
<b>XIV. Rural Housing Including Indra Awas Yojana</b>		
Approval of PS's plan and sanctioning of fund for rural housing schemes	<ol style="list-style-type: none"> <li>1. Determine design and unit cost for guidance to PS/ GPs keeping in view technical advice and beneficiary needs.</li> </ol>	<ol style="list-style-type: none"> <li>1. Execution of housing projects.</li> <li>2. Procure and supply of building materials.</li> <li>3. Assist GPs for execution of housing projects.</li> </ol>
Supervision and monitoring of rural housing schemes		<ol style="list-style-type: none"> <li>1. Supervise in construction of Rural Housing Scheme.</li> </ol>
Rural Water Supply	<ol style="list-style-type: none"> <li>1. Formulate water supply scheme.</li> <li>2. Technically appraise and approve schemes proposed by PSs and GPs.</li> <li>3. Award contracts for the execution of major schemes outside PS and GP plans.</li> <li>4. Establish water-testing laboratories for control of chemical and biogenic impurities.</li> <li>5. Monitor and supervise the progress quality of work and target achievement.</li> </ol>	<ol style="list-style-type: none"> <li>1. Construct schemes within the prescribed cost limits for PSs.</li> <li>2. Monitor and supervise progress and quality of works.</li> </ol>

<b>XV. Roads, Culverts, Bridges, Ferries, Waterways and other means of communication</b>		
Development of road network and accessibility	<ol style="list-style-type: none"> <li>1. Identify village as per MNP norms inaccessible by all weather road and formulate projects for construction of link road connecting that one PS.</li> </ol>	<ol style="list-style-type: none"> <li>1. Survey, technical feasibility sanction of funds for village road, GP roads and PS roads.</li> <li>2. Acquire land, assess and grant compensation.</li> <li>3. Construct roads using local labour without contractors.</li> <li>4. Provide technical assistance for road construction projects proposed by GPs.</li> <li>5. Monitor the specifications of roads and bridges and supervise of the quality of works and reporting progress to the DP.</li> </ol>
Improvement and maintenance of the existing roads/culverts and bridges	<ol style="list-style-type: none"> <li>1. Conduct traffic volume survey and identify road sections needing improvement in capacity.</li> <li>2. Monitor and supervise the quality of works.</li> </ol>	<ol style="list-style-type: none"> <li>1. Convert PS roads into black lopped roads.</li> <li>2. Undertake annual repairs and maintenance of roads, culverts and bridges.</li> <li>3. Approve, allocate and sanction funds for improvement and maintenance of PS roads.</li> <li>4. Monitor and supervise quality of works and report progress.</li> <li>5. Execute works for providing rural link roads.</li> </ol>
Development of waterways, ferrying, ferry services etc.	<ol style="list-style-type: none"> <li>1. Identify waterways suitable for construction of jetties for ferry services.</li> </ol>	<ol style="list-style-type: none"> <li>1. Inspect ferries and boats and maintain vigilance on services and traffic regulations.</li> </ol>

<b>XVI. Non-Conventional Energy</b>		
Assessment of districts energy requirement	1. Consolidated PSs plans for energy requirement and supply through non-conventional means.	1. Formulate projects for use of non-conventional sources of energy in the PS. 2. Implement projects for creation of non-conventional energy.
Promoting non-conventional sources of energy which includes installations of solar panels, wind mills and gohar gas plants and extension education	1. Promote non-conventional energy devices and sources. 2. Promote and popularize energy saving devices. 3. Co-ordinate different agencies including NGOs for promotion of alternative sources of energy.	1. Train users in the maintenance of non-conventional energy devices. 2. Monitor and supervise the operation and functioning of the projects.
<b>XVII. Poverty Alleviation Programmes</b>		
Planning and implementation for poverty alleviation programmes	1. Co-ordinate with other departments and agencies. 2. Development training infrastructure. 3. Prepare plan for poverty alleviation programmes at district level. 4. Supervise and review implementation of different poverty alleviation programmes. 5. Review schemes implemented in Drought Prone Areas.	1. Collect and distribute data regarding development and management at the district level. 2. Assist in the evaluation of schemes. 3. Release of funds to banks for subsidy adjustment, formulation of credit plans through plans. 4. Prepare plans at the block level under SGSY for filling up gaps in technology marketing tie-ups, training strengthening infrastructure and market facilities.

	<ol style="list-style-type: none"> <li>6. The ZP in active co-operation with the PS and District Planning Committee may arrange decentralized planning.</li> <li>7. Review and supervise schemes implemented under the grants recommended by the Central Finance Commission for local bodies.</li> </ol>	<ol style="list-style-type: none"> <li>5. Assist GPs in organizing self-help groups and implement cluster strategies.</li> <li>6. Review plans prepared by the GPs and accord technical approval and assistance.</li> <li>7. Draw action plans, get technical approvals and funds allocated under land development scheme.</li> <li>8. PSs can implement schemes with the help of GPs and integrate other programmes with poverty alleviation schemes.</li> <li>9. Assist in supervision of works under district decentralized plan.</li> <li>10. Plan and implement infrastructure development by rural local bodies.</li> <li>11. Develop marketing infrastructure, marketing network for SGSY self help group products.</li> <li>12. Execute schemes under poverty alleviation programmes.</li> </ol>
Wage employment programmes	<ol style="list-style-type: none"> <li>1. Prepare ZP level shelf of projects and desegregate it into plans that can be implemented by PS and GP plans.</li> <li>2. Formulate projects outside PS and GP.</li> <li>3. Assign projects to PSs, GPs and NGOs and other agencies and departments for execution.</li> <li>4. Approve, sanction and release funds to PSs, GPs and other organizations for the execution of ZP projects.</li> </ol>	<ol style="list-style-type: none"> <li>1. Formulate and execute projects.</li> <li>2. Procure and supply material for projects.</li> <li>3. Technically assist GPs for executing projects.</li> <li>4. Execute projects outside GPs plans.</li> <li>5. Inspect muster rolls, quality of work assets created and mandays generated by projects executed by IP and GPs.</li> </ol>

	<ol style="list-style-type: none"> <li>5. Release funds to PSs as per prescribed norms.</li> <li>6. Provide funds for maintenance of assets created under Centrally Sponsored Schemes and State Sponsored Scheme.</li> <li>7. Inspect muster rolls and check quality of workers and wage material ratio as per guidelines.</li> <li>8. Monitor and supervise progress of programmes.</li> <li>9. Submit quarterly returns and utilization certificates to GoI and State Government for release of next installments.</li> </ol>	
<b>XVIII. Markets and Fairs</b>		
Identification of location and development of market yards	<ol style="list-style-type: none"> <li>1. Identify locations for marketing rural products and formulating projects.</li> </ol>	<ol style="list-style-type: none"> <li>1. Develop and maintain places for fairs and weekly markets.</li> <li>2. Construct market complexes for providing marketing linkages to products of Swarojagaris.</li> </ol>
Regulating wholesale and retail markets, supervision and monitoring of marketing activities	<ol style="list-style-type: none"> <li>1. Supervise and monitor marketing activities.</li> </ol>	<ol style="list-style-type: none"> <li>1. Enforce fair trade practices and maintain quality of commodities.</li> <li>2. Assist in the maintenance of statistics on prices and commodity traded.</li> <li>3. Maintain statistics on prices and commodities transacted within the district.</li> </ol>

<b>XIX. Minor Irrigation</b>		
Development of MI (Ayacut upto 100 acres) System, drain system, water harvesting Structures and water Management	<ol style="list-style-type: none"> <li>1. Formulate district plan for Minor Irrigation projects.</li> <li>2. Assign projects to PS and GP.</li> <li>3. Development of drainage system in water logged areas.</li> <li>4. Suggest projects for percolation tanks, check dams and land leveling.</li> <li>5. Supervise, monitor and review of the progress and quality of works by the subject Committee.</li> <li>6. Co-ordinate between various departments and agencies funding MI projects.</li> </ol>	<ol style="list-style-type: none"> <li>1. Identify and formulate MI projects.</li> <li>2. Execute and maintain MI projects included in PS plan.</li> <li>3. Execute MI projects assigned by ZP.</li> <li>4. Construct percolation tanks and check dams (outside GP plan).</li> <li>5. Supervision, monitoring and review of the progress, and quality of works.</li> <li>6. Co-ordinate between various line departments/agencies funding for MI projects.</li> <li>7. Execute community MI projects and MI projects belonging to PS.</li> </ol>
Water management	<ol style="list-style-type: none"> <li>1. Propagate modern water management delivery methods through Pani Panchayats, WALMI and other agencies.</li> <li>2. Propagate use of sprinkler and drip irrigation in drought prone/water scarce area through Pani Panchayats, WALMI and other agencies.</li> </ol>	<ol style="list-style-type: none"> <li>1. Guide and motivate people to adopt modern methods of irrigation, on farm development and proper maintenance of field channels etc.</li> <li>2. Select beneficiaries for subsidized sprinklers, drip irrigation equipment and delivery system and supply them, including providing technical guidance to beneficiaries.</li> <li>3. Organize farm demonstration for modern water management techniques.</li> </ol>
