Wide disparity in rates for empanelled hospitals in Delhi

2262. SHRI PIYUSH GOYAL : Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the reasons for wide disparity in the rates recently announced by the Central Government for empanelled hospitals in Delhi region;

(b) whether Government proposes to review the rates announced recently;

(c) if so, the details thereof; and

(d) if not, the reasons therefor?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI GHULAM NABI AZAD): (a) to (d) Under the fresh empanelment process undertaken by the CGHS, hospitals have been divided into the following categories:

(i) Super-speciality hospitals;

(ii) Hospitals accredited by National Accreditation Board for Hospitals and Healthcare providers (NABH); and

(iii) Hospitals non-accredited with NABH.

Super-speciality hospitals were specifically defined in the tender document, with reference to the specialities available in the hospitals and the number of beds available in the hospitals. Based on the response received to the tender floated by the CGHS, differential rates for various treatments were arrived at. As the rates have been evolved only now, there is no proposal to re-review these rates.
