PRICES AND QUALITY OF INDIAN-MADE FIBRE

423. SHRI KRISHAN KANT :
SHRI CHANDRA SHEKHAR :
SHRI KOTA PUNNAIAH : SHRI
SYED AHMAD :

Will the Minister of FOREIGN TRADE be pleased to state :

(a) whether there continues to be a considerable difference in the prices and quality of Indian made fibre and the corresponding foreign products; and

(b) if so, the reasons therefor ?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (SHRI A. C. GEORGE) : (a) There is not much difference in the quality though there are substantial price differences.

(b) the importation of raw material involving freight charges, the non-availability of the economy of scale, the imposition of fiscal levies on raw materials and intermediate stages of production are the principal reasons for the price differential.

IMPROVEMENT OF OPERATIONAL EFFICIENCY OF POWER PROJECTS

427. SHRI D. P. SINGH : Will the Minister of IRRIGATION AND POWER be pleased to state :

(a) whether the Power Economy Committee had in its Report underlined that operational efficiency rather than inadequate investment, was the primary hurdle in power projects ; and

(b) if so, what steps have been taken by Government to improve operational efficiency ?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI BRIJ NATH KUREEL) : (a) and (b) The Power Economy Committee considered both improvement of operational efficiency as well as adequate investments as important for the power projects. The Government is already making a multi-pronged attack on the question of operational efficiency :—

(i) The recommendations of the Power Economy Committee for improvement in economy and efficiency of power projects operation have been communicated to all the State Governments/State Electricity Boards for implementation.

(ii) Two Teams of Experts, one for hydroelectric power stations and the other for thermal power stations are being set up for inspecting the power stations periodically, giving expert advice on operation and maintenance problems, and recommending appropriate procedures for operation and preventive maintenance.
