939. SHRI BANARSI DAS :  
SHRI NAWAL KISHORE :  
SHRI BHAGWAT DAYAL :

Will the Minister of AGRICULTURE be pleased to state :

(a) the rate at which the Food Corporation of India purchased mustard Oil during October-December, 1971 ;

(b) the prevailing market rate for the particular quality of Mustard oil bought by the Food Corporation of India; and

(c) whether it is a fact that the suppliers of the mustard Oil were parties unregistered with the sales Tax authorities?

**THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ANNASAHAB SHINDE) :** (a) The Food Corporation of India purchased mustard oil at prices running from Rs. 562/- to Rs. 530/- per quintal during the period October-December, 1971. These rates were for filline of 16 Kgs net inclusive of cost of new tins, sales tax, Agmark expenditure and overhead charges upto loading in wagons or local delivery in the godowns of the Corporation.

(b) The prevailing market rates for the quality of mustard oil purchased by the Food Corporation of India were reported to have been ruling between Rs. 440/- to Rs. 496/- per quintal in most of the important mandies of U. P. and Delhi. These rates are reported to be for loose oil exclusive of cost of tins, taxes and other overhead charges amounting to approximately Rs. 70/- per quintal.

(c) The Food Corporation of India are not aware whether or not the supplier of the mustard oil were parties unregistered with the Sales Tax authorities.

#### RATE OF TRANSPORTING OF WHEAT BAGS

940. SHRI BANARSI DAS : Will the Minister of AGRICULTURE be pleased to state :

(a) the rate paid by the Food Corporation of India in transporting wheat bags from Kanpur to Gauhati during November 1971 to January, 1972 ;

(b) whether it is a fact that the transporting company was paid in bearer cheques for this work ; and

(c) if so, the reasons for this change of procedure from payment by account payee cheques ?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ANNASAHEB SHINDE) : (a) The Food Corporation of India paid freight charges at the rate of 25 paise per tonne per kilometre, for transportation of foodgrains by road from Kanpur to Gauhati during November, 1971, to December, 1971, during the emergency in the Eastern Region. The road movement was stopped with effect from 1.1.1972.

(b) No, Sir. Some truck owners were paid by order cheques instead of Account payee cheques, at their request.

(c) Though, initially, payments were made by account payee cheques to truck owners, some truck owners through their Association requested the Senior Regional Manager, Food Corporation, of India Lucknow, that they may be paid by order cheques since they were not having any Bank Account. The food Corporation of India apprehended that the truck owners might withdraw their truck and consequently the movement of foodgrains to meet the emergency in Assam and the adjoining States in the Eastern Region would suffer. The request of the truck owners for payment by order cheques was therefore acceded to, subject to cheques

being issued after due identification by the office bearers of the truck owners Association.
