†[THE MINISTER OF INDUSTRIAL DEVELOPMENT (SHRI MOINUL HAQUE CHOUDHURY) : (a) and (b) A Statement is laid on the Table of the House.

†[] English translation.

STATEMENT

(a) and (b) Bihar is one of the 9 States identified as backward by the Pande Working Group. Nine districts have been selected from the State of Bihar for the purpose of concessional finance from the financial institutions and these are (1) Santhal Parganas, (2) Bhagalpur, (3) Palamau, (4) Champaran, (5) Saran, (6) Darbhanga, (7) Purnea, (8) Muzaffarpur, and (9) Saharsa. Out of these nine districts, six districts, namely, Champaran, Saran, Muzaffarpur, Darbhanga, Saharsa, and Purnea are in North Bihar. One district, namely, Darbhanga, out of the two districts selected in Bihar for the 10 per cent Central Outright Grant or Subsidy falls in North Bihar. In addition to these concessions, the Government of Bihar have offered a package of incentives to attract industries to the entire State of Bihar. The concessions and the facilities to be allowed by the financial institutions and the package of incentives offered by the State Government of Bihar will, it is hoped help to accelerate the pace of industrial development in Bihar including the North Bihar districts and it is expected that entrepreneurs would take full benefit of the various concessions.]

DEVELOPMENT OF NORTH BENGAL

125. SHRI SANAT KUMAR RAHA : Will the Minister of PLANNING be pleased to state :

(a) whether Government have any scheme for development of North Bengal in the field of industry and rural electrification;

(b) if so, the details thereof; and

(c) by when it will be implemented ?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI MOHAN DHARIA) : (a) to (c) In pursuance of a 16 point programme which was drawn up last year, a rapid survey of

the districts of North Bengal along with other such backward district of West Bengal, has been completed and industries suited to each such districts based on local raw materials and skills have been identified. These districts have been made eligible for the provision of concessional finance by public financial institutions. The Rural Electrification Corporation has sanctioned schemes in the districts of Malda and West Dinajpur estimated to cost Rs. 1,60.30,100. The Planning Commission is concerned with the general strategy and with the overall size and sectoral break-up of the five year and annual Plans and with the outlays on major projects. The Planning Commission also keeps itself informed of the general progress of the implementation of Plan programmes and projects. No information is maintained in the Planning Commission regarding scheme-wise details of Plan programmes nor of the break-up of the Plan outlays as among districts and regions of a State. Details for industrial and rural electrification schemes undertaken by the Government of West Bengal in the various districts of North Bengal and their implementation cannot, therefore be furnished.
