APPRAISAL OF POWER INDUSTRY

270 SHRI U K LAKSHMANA GOWDA Will the Minister of IRRIGATION AND POWER be pleased to state

(a) whether an appraisal has recently been made by Government regarding the power industry in the country and

(b) if so, the findings of such an appraisal ?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI BAIJNATH KUREEL) (a) Yes Sir An appraisal of power supply industry regionwise and Statewise upto the year 1974-75 has been made by the Seventh Annual Power Survey Committee

(b) The Survey indicates that the All India peak demand for power of about 10 8 million KW at the end of 1970-71 will rise to about 15 7 million KW by the end of 1973-74 and 17 7 million KW at the end of 1974-75 The generating capacity in the country at present is 17 2 million KW and will increase to about 20 4 million KW by the end of 1973-74 The margin of the generating capacity available over the peak loads would decrease towards the end of the Fourth Plan and then start increasing as the proposals for accelerated power development take effect
