t [THE MINISTER OF EDUCATION, SOCIAL WELFARE AND CULTURE (PROF.S. NURUL HASAN):(a) and (b) The report of the Education Commission (1964-66), which contains recommendations of the Commission on student participation in the affairs of the Universities is available in the Parliament Library. These recommendations have been endorsed by the University Grants Commission.

This question has been recently considered by the Gajendragadkar Committee in its report on Governance of Universities. A copy of the report is also available in the Parliament Library. The Commission has generally agreed with all the recommendations of the Committee, including those relating to student participation. The Central Government has also accepted these recommendations. Their implementation would require amendment of the Acts of the universities and further action in this regard is to be taken by the State Governments and the Central Government. So far as the Central Government is concerned these recommendations are being taken into account in formulating legislative proposals for the Central Universities.]
