

THE MINISTER OF EXTERNAL AFFAIRS (SARDAR SWARAN SINGH) : (a) and (b) Between May 13 to December 10, 1971, Prime Minister addressed communications to Heads of Govt. of a large number of countries including, of course, those in West Asia and North Africa with the object of keeping them informed on the evolution of the grave situation which developed as a result of the military action by the Pakistani military junta on March 25, 1971 and thereafter. Replies to these communications were received from time to time either directly or through diplomatic channels. The honourable Member will appreciate that it is not customary to disclose these communications without mutual consent of the parties concerned. However, it may be stated that a reply to Prime Minister's communication of December 5, 1971 from one of the countries in North Africa was of a kind and character which contained an obviously distorted interpretation of events.

#### PLATINUM DEPOSITS NEAR NAGPUR

\*435. MISS SAROJ PURUSHOTTAM KHAPARDE : Will the Minister of STEEL AND MINES be pleased to state :

(a) whether it is a fact that Palatinum deposits have been found near Nagpur during the excavation studies by the Nagpur University; and

(b) whether Government have made any further effort to assess the nature of deposits and the workability of the ore as to whether it could be mined economically?

THE MINISTER OF STEEL AND MINES (SHRI S. MOHAN KUMARAMANGALAM) :

(a) and (b) Large deposits of platinum were reported to have been discovered in Bhandara district, Maharashtra by a Nagpur University Team in 1971. On receipt of this report, the Geological Survey of India undertook geological studies of the area and collected samples to test incidence of platinum in the rocks. The data so far available from these samples indicate only traces of platinum, which are irregularly and sparingly disseminated in the rocks. Further work by the Geological Survey of India is in progress. It will be too premature to comment on its economic viability.

(c) whether Government have requested the United Nations to impress on the big powers to keep away from the Indian Ocean ; if so, with what results ?

THE MINISTER OF EXTERNAL AFFAIRS (SARDAR SWARAN SINGH) : (a) Government are not aware of any such proposal. The question of a protest, therefore, does arise.

(b) Some Naval powers are engaged in establishing bases in the Indian Ocean.

(c) Government co-sponsored the U.N.G.A.
