(d) if so, what are the amounts granted to various States therefore; and when;

(e) whether Government have any arrangement to ensure that the various States introduced the scales of pay recommended by the All India Council of Technical Education; and

(f) when the latest revision of AICTE scales of pay will be implemented?"

THE MINISTER OF EDUCATION AND SOCIAL WELFARE (PROF. S. NURUL HASAN) : (a) to (c) No, Sir. There are no employees of the All India Council for Technical Education. The All India Council is an advisory body set up by the Central Government for the coordinated development of technical education and maintenance of its quality and standards. The Ministry of Education acts as the Secretariat of the All India Council.

To solve the problem of acute shortage of teachers in technical institutions, the All India Council recommended and the Central Government accepted in 1959 a scheme to revise the pay scales of teachers of technical institutions. The Central Government also agree to bear 100 per cent of the additional expenditure involved in the revision of pay scales for a period of five years in the first instance. This period was later extended upto 31.3.1969. The State Governments have since then been bearing the entire additional expenditure.

The revised pay scales as approved by the Central Government and suggested to the State Governments in 1969 are as given in Annexure I.

(d) A statement showing the amounts of grants sanctioned by the Central Government to different States for the implementation of the revised pay scales is given in Annexure II.

(e) The Central Government could only offer assistance to the States for the revision of pay scales in their respective

institutions. The grants have been sanctioned on the basis of the actual expenditure incurred by the States for the revision of pay scales.

(f) The question of further revision of the pay scales of teachers of technical institutions was considered by the All India Council for Technical Education at its meeting held on 22nd April, 1972. The All India Council decided that this matter should be examined further after the report of the Third Pay Commission was available.
