

(b) the total number of seamen recruited from various ports during the last three years; and

(c) what steps Government have taken to halt this reduction and ensure job security to seamen ?

THE MINISTER OF PARLIAMENTARY AFFAIRS, AND SHIPPING AND TRANSPORT (SHRI RAJ BAHADUR) :

(a) Government is aware of the discontent among seamen in Calcutta for loss of jobs. No such discontentment has been noticed among seamen in Bombay. The loss of jobs in Calcutta is mainly due to withdrawal/scraping of some old vessels by foreign shipowners.

(b) The total number of jobs available on 1st January of 1970, 1971 and 1972 is given below :—

Station	1970	1971	1972
Bombay	18,303	19,077	19,035
Calcutta	7,680	7,262	6,520

(c) Efforts have been made to persuade shipowners to recruit more crew from Calcutta.

UNDER UTILISATION OF FUNDS MEANT FOR TRIBAL DEVELOPMENT BLOCKS IN MADHYA PRADESH

**312. SHRI RAM SAHAI :
SHRI BALRAM DAS :**

Will the Minister of EDUCATION AND SOCIAL WELFARE be pleased to state :

(a) whether it is a fact that in the tribal development blocks in Madhya Pradesh there was a short fall of allotment and under utilisation of funds to the extent of Rs. 381 lacs during the period of 1957-58 to 1969-70; and

(b) whether Government have refused to allow carry-over of funds for expenditure in these blocks to this extent, and if so, the reasons therefor ?

THE DEPUTY MINISTER IN THE MINISTRY OF EDUCATION AND SOCIAL WELFARE (SHRI K. S. RAMASWAMY) : (a) The funds were allocated for Tribal Development Blocks to the Government of Madhya Pradesh on the approved pattern every year. But during the two years, 1967-68 and 1968-69, the actual allocation was less than the Plan

outlay by 152.10 lakhs due to the cut imposed on all sectors of development on account of the financial constraints in the country. These shortfalls have not been restored to any of the State Governments for any of the schemes. The unutilised amount in Madhya Pradesh upto the year 1966-67 comes to about Rs. 231.51 lakhs.

(b) To enable the State Governments to utilise the unspent grant for the Tribal Development Blocks, the extension of the operational period of Tribal Development Blocks were given freely upto the year 1970. The position was, however, reviewed and in view of the present financial constraints and the Plan ceilings, it was decided in January 1971 not to give such extensions of the operational period any more.
